

OSI Recipient of BC Exports 2015 Minister's Award for Job Creation

Burnaby, BC, November 20, 2015 - OSI is proud to have been selected as the recipient of the BC Exports 2015 Minister's Award for Job Creation.

"We are very excited to have received the award as it recognizes the tremendous growth OSI has been experiencing," said Ken Kirkpatrick, President & CEO, OSI Maritime Systems. "Just in the past two years we have added three additional navies to our customer base, and in addition with Canada's own shipbuilding initiatives, we are very well positioned for continued growth."

The 2015 BC Export Awards are presented by Business in Vancouver, Canadian Manufacturers & Exporters British Columbia and the Ministry of International Trade. The program has recognized hundreds of companies since its 1982 inception and reflects the growth and diversity of B.C.'s economy. Eleven companies and individuals were recognized for their outstanding contribution to the province's export industry in nine sectors and two individual categories.

About OSI

OSI Maritime Systems has been providing advanced integrated navigation and tactical solutions to military customers for over 20 years. As a pioneer of Warship Electronic Chart Display and Information Systems (WECDIS), the company has grown to be a leading provider of integrated navigation and tactical solutions designed for naval and maritime security operations. The company develops and delivers integrated bridge systems for warships, integrated dived navigation systems for submarines, and C2 systems for small craft. OSI currently has 20 naval customers from around the world with over 500 warships and submarines operating with its world leading integrated navigation and tactical solutions.
