For Immediate Release

**OSI Maritime Systems Signs Contract to Deliver INTS Solution for Asian Navy Fast Attack Craft New Build Program**

OSI Maritime Systems (OSI) has been awarded a contract to deliver and install its Integrated Navigation & Tactical System on six Fast Attack Craft being built for a SE Asian customer. In addition, OSI will provide training and system support activities for the customer.

**About OSI**

OSI Maritime Systems is a leading provider of integrated navigation and tactical solutions designed for naval and maritime security operations. The company develops and delivers integrated bridge systems for warships, integrated dived navigation systems for submarines, and C2 systems for small craft. OSI currently has 16 naval customers from around the world with over 500 warships and submarines operating with its world leading integrated navigation and tactical solutions.
