OSI Maritime Systems announces the opening of a UK Branch Office

OSI Maritime Systems (OSI) is pleased to announce that it has established a Branch Office in the United Kingdom. The UK Royal Navy ("RN") is a significant customer and currently has OSI's tactical navigation software and systems installed across 75 platforms including submarines. The RN has been using OSI's systems since 2004 and the technology will soon be deployed into the Astute Class submarine.

About OSI

OSI Maritime Systems is a leading provider of integrated navigation and tactical solutions designed for naval and maritime security operations. The company develops and delivers integrated bridge systems for warships, integrated dived navigation systems for submarines, and C2 systems for small craft. OSI currently has 16 naval customers from around the world with over 500 warships and submarines operating with its world leading integrated navigation and tactical solutions.
